## The Big 'One'...

The Oxfield Community Newsletter was born this month last year, and has gone from strength to strength since. So, just to say thanks again to all those who contribute, sponsor and help out with this local (and we hope worthwhile) publication.

## Jumping for Gold...

Well done to Philip Hamilton from Carney - officially the best U14 hurdler in the country - after winning his gold medal at the National Finals of the Community Games in Athlone recently.

## Tidy Results...

The people behind the Carney and Rathcormac Tidy Towns initiatives deserve great credit on their marks in this year's National Tidy Towns competition. Carney scored 241 points, (up from 238 in 2010), while Rathcormac earned a very respectable 223 points on this their first outing. Both villages got some glowing comments from the judges - even Oxfield got a mention! Have a look at the scoring reports at [www.tidytowns.ie](http://www.tidytowns.ie).

While both Groups are keen to thank those who helped out this year, much more help is needed from the wider Community to make some real progress. So here's looking forward to seeing a much bigger effort from everyone for the 2012 competition!

For further info please contact 087 7834194 (for Carney) or 087 9973558 (for Rathcormac).

## Coffee Anyone?...

You are invited to take part in Ireland's biggest coffee morning on Thursday 15<sup>th</sup> September between 10am and 12 noon in the Oxfield Community Centre in aid of the North West Hospice. Over 850,000 cups were served last year, which is sure to be surpassed this year now that Oxfield has the kettle on! Any donations of sambos, scones or biscuits on the day will be gratefully received.

The local ICA Guild is already looking forward to a new season of activity. This year the group is supporting the 11th Sligo Benbulbin Scouting Group through various fundraising drives.

The ICA is a very welcoming group. Fun, friendship and support are at the centre of everything that they do. Anyone interested can come to an 'open night' to be held in early October in the History Centre in Rathcormac, where you can chat to members etc. The guild meets in the History Centre on the first Wednesday of the month at 8:30pm.

## Supporting Cregg

A group of about 10 Sligionians, including Rathcormac's Jim Doherty, will climb the highest peaks in the 4 provinces in early October to raise much needed funds for the Wisdom Services in Cregg House. The event will take place over 3 consecutive days and the volunteers will be joined by a larger group for the final climb on Mweelrea mountain in Mayo. For further info or to support this event contact Angela Tonry 087 7985202 or Jim Doherty 087 2479756.

See you there!

## Girls Do Double...

Yet more success for the footballing girls of the area! This time it's the Drumcliffe/Rosses Point U12 girls who completed a double when they won their "A" County Championship. They defeated Eastern Harps by 6 points in the final on a score line of 5-4 to Eastern Harps 2-7. Congrats to Sean Cunningham and his back room team on a job well done.

## Oxfield Centre News...

Keeping you up to date with what's going on behind the scenes at Oxfield

**Roof Repairs** - a group of locals are giving up their time to help us re-roof a section over the dressing rooms building. Saturday 10<sup>th</sup> Sep from 9am. All and any help appreciated.

**Caretaking** - Oxfield hopes to sponsor a new part time TUS worker in the coming weeks who will help us make some real improvements around the place.

**Paint Job** - Dulux are still processing 250 community projects, and so we eagerly await our consignment of paint with brushes and rollers in hand.

## Evening Walkers and Joggers...

Now with the days getting short again, the Oxfield evening walking club is set to resume service this month, with the floodlights lighting the track from 8:30pm to 10pm every Monday, Wednesday and Friday evening. It's open to all so why not pop down and keep those feet moving. (Note that to cover the cost of the lights, a fee of €10 is being asked for, which will cover you for 3 sessions a week from September to Christmas - unbeatable value!)

Did you know that 8 laps of the Oxfield track represents a very healthy 5km walk / run?
